

Sail and Dive the Bahamas

July 31 - August 6, 2010

This has turned out to be such a fun and relaxing trip we may do it every year. We sold out the 09 trip and we're ready for 2010. The Cat Ppalu crew will take 12 lucky divers to the protected and pristine waters surrounding the Exumas for six days of tranquility.

This will be our 3rd trip on the Cat Ppalu and the diving is outstanding! In between dives, enjoy great snorkeling, kayaking, fishing and much more. You can do as little or as much as you want.
