Situated on Roatan's south shore, Coco View Resort is perched on the edge of the world's second largest coral reef. They offer spectacular and convenient diving and their hospitality keeps us coming back! Take a short ride on one of their custom dive boats to Roatan's best dive sites, or explore the pristine coral walls and 140' Prince Albert wreck in their famous "front yard." At Coco View Resort, we can dive and snorkel to our heart's content, 24/7! Perfect destination to finish your certification dives!

Y-kiki Divers' photo expert, Jane Palmer, will be joining this trip and offering photography workshops throughout the week. Workshop topics will include techniques on getting proper exposure, strobe positioning, how to avoid backscatter and help with photo editing software. CocoView's "front yard" allows Jane to take photographers on a shore dive for underwater coaching expertise.
