Get your spot reserved now!

Each room will include a resort credit that can be used for selected tours and spa services at the resort. *Note: Part of the original room credit has been used for the diving leaving the \$300+ balance. Each individual will be responsible for the required 16% tax on the diving portion and any of the balance that is used.

Four dining options plus room service offer plenty of choices for a wide array of menu choices. All rooms have a balcony, satellite TV, purified water, hair dryer and flat iron, bathrobe and slippers, digital safe, coffee maker and mini-bar. Hey, if you're going on vacation might as well get the most out of it!
