Discover Scuba

Try it! Let us show you how fun & easy it really is!

If you've always wanted to try scuba diving – then here's your chance! Participants discover excitement and adventure - freedom and serenity. Nothing compares to the "weightless" exhilaration of breathing underwater. Only a diver knows the feeling!

Prerequisites:

- Minimum age is 10 years old
- A completed and signed **Discover Scuba** statement, liability release form and medical questionnaire. A Physician's Release may be required for some prior to any in-water activities.

Price: \$38 per person for our regularly scheduled classes for individuals. Groups of 10 or more are \$34.50 per person (call to schedule). Private individual classes are available for \$45.

Scuba Review or ReActivate

Getting ready for a dive but it's been awhile and you feel a little rusty? Take a Scuba Tune-Up with Y-kiki Divers and review basic scuba skills. Dust off your gear and bring it to class. We'll inspect it for potential maintenance concerns. Price is \$110 for regularly scheduled sessions and includes a PADI refresher workbook, classroom and pool sessions. Includes equipment rental (excluding mask, fins, snorkel and boots). Scuba Review is for any certified diver. Private classes are available for \$30 more.

Or, if it's been a long time you can audit an Open Water Class for \$150. Spend one weekend in the class & pool (see Open Water flier for dates) with our class and we'll get you ready for your dive.

Get started right away and complete the review online with the PADI ReActivate. Then join one of our regularly schedule sessions to complete your review. Price is \$132 and includes a new updated c-card and the PADI ReActivate Touch digital download for IOS or Android tablets. ReActivate is for PADI certified divers. Private classes are available for \$30 more.
