

Bonne Terre Mine

Bonne Terre, Missouri

Detail of Bonne Terre, MO

Directions:

- I-270 south to I-55 south
- At about 22 miles, exit onto Hwy 67 south
- At about 23 miles, exit onto MO K/MO 47 to Bonne Terre
- Turn right on MO 47, the Bonne Terre mine entrance will be on your left

About the Mine:

Bonne Terre Mine is advertised as the "Billion Gallon Lake." The mine is illuminated and has 24 dive trails taking the diver through large archways, past calcium falls, around pillars and to the many abandoned mining artifacts. Depths of the dive tours average between 40 to 60 feet. Divers are toured through the mine in groups of 10 by specially trained dive guides. Super 80 cubic ft. aluminum tanks are provided for each diver.
