

PADI Rescue Diver Course

January 2019

Welcome to the Y-kiki Divers Rescue Diver package program! Are you ready for the next step in diving?! We have put together a program that will make you a better buddy! Challenging and rewarding best describes the PADI Rescue Diver course. This course will expand your knowledge and experience level. Rescue Divers learn to look beyond themselves and consider the safety and well-being of other divers. Although this course is challenging, it is a rewarding way to build your confidence. Rescue Diver training will prepare you to prevent problems and, if necessary, manage dive emergencies. Many divers say this is the best course they've ever taken.

We'll cover: Self-rescue and diver stress, Emergency management and equipment, Panicked diver response, In-water rescue breathing protocols, Egress (exits) & Dive accident scenarios

The **PADI Rescue Diver** certification is a prerequisite for all Professional level PADI courses, beginning with the PADI Divemaster certification.

Prerequisites:

- PADI (Junior) Adventure Diver certification (or qualifying certification from another organization) – must have completed the Underwater Navigation Adventure dive
- Minimum age is 15 years old (12 for PADI Junior Rescue Diver)
- Successful completion of a sanctioned CPR & First Aid program within the past 24 months (PADI's Emergency First Responder Course fulfills this requirement and is **included in this package!**)
- Successful completion of the PADI Emergency Oxygen Provider Course which is **included in this package!**

Class Prices:

- Emergency First Response Primary & Secondary Care w/ AED - \$95
- Emergency Oxygen Provider Course - \$95
- Rescue Diver Course - \$350

Packaged and purchased together: \$485

Materials:

- Emergency First Response Primary & Secondary Care w/ AED Student Manual
- Emergency Oxygen Provider Crew Pak (manual and *Oxygen Care at a Glance* card)
- PADI Rescue Diver eLearning Curriculum
