7 nights in Truk

4 nts Yap and 3* nts Hawaii

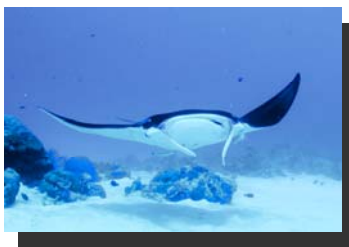

Our 6th trip to Micronesia

Join Y-kiki Divers as we descend on the wreck diving trip of a lifetime with our return to Truk Lagoon. Spend 7 nights on the Thorfinn diving WWII history in the worlds most famous wreck haven, Truk Lagoon. Spectacular remains of nearly 70 coral draped Japanese ships and countless aircraft were condemned to watery graves by U.S. Naval air attacks during "Operation Hailstone" in February 1944. Now lying scattered upon the floor of Truk's huge 40-mile diameter tropic lagoon, they are easily accessible to all sport divers seeking maximum attractions. Thorfinn began wreck diving Micronesia 23 years ago with Truk Lagoon as a terminus for outer island cruises. Warm, relatively clear, current free waters of this great ocean lake provide comfortable wreck diving for all levels. Fabulous growth and sea life on the ships.

*R/T air from St. Louis, transfers & *1 Nt Honolulu, 7 nts on Thorfinn w/meals and diving, 4 nts at Manta Ray Bay Hotel, 3 days of 2 tank boat diving, nitrox included, breakfast, *2 nts Honolulu on return to relax, sightsee or dive.*
