

St. Croix offers everything you would expect from a Caribbean Island vacation. Lush green hills, warm aquamarine water with fabulous diving, beautiful beaches, great dining, duty free shopping and a relaxed island experience. All this and you're still on U.S. territory. Being the largest of the U.S. Virgin Islands, St. Croix offers the best of both worlds. The Danish architecture is very evident in the historic sections of Christiansted and Frederiksted. We've planned a great week with diving and plenty of time to explore all St. Croix has to offer. Call Y-kiki today to reserve your spot. Let's go diving!
