

Cozumel Iberostar is an all-inclusive beach front property located on the southern end of the island. Bungalow-style suites are surrounded by lush gardens and pathways – all with beautiful views. The property boasts 4 restaurants: a main dining room serving buffet style and several themed restaurants.

Each bungalow features a king bed or 2 doubles, air conditioning, coffee maker, minibar service, flat screen TV, an in-room safe and a private balcony with hammock.

We'll be diving with the on-site dive operation, Dressel Divers, and we are just minutes to all the most popular reefs. Nitrox is included! Not yet Nitrox certified? This PADI course is now available in an eLearning format with one practical session at the store. It's a great tool and now easier than ever to earn.

For the non-divers, guests can lounge by the pool or grab a cabana on the beach. There's a fitness room, kayaks and paddleboards. We booked this week to be sure to enjoy the Day of the Dead festivities – always a group favorite!
