We are going back to the Maldives... but this time we are spending 10 days exploring the Best of Maldives diving Rasdhoo, North & South Ari, Vaavu and North & South Male Atolls! Fish life galore (over 1000 species are found in the Maldives), nudibranchs, sea turtles, whale sharks – there's something for everyone's wish list. Photographers will be hard-pressed to decide between macro and wide-angle lenses! On this popular itinerary, divers experience a sampling of the many extraordinary types of sites including lush thilas (reef mounts), manta cleaning stations and deep channel dives.

***This trip is for experienced divers only!
 Advanced Open Water or above is required.
 All currents in the Maldives can be
 unpredictable and everyone is required to carry
 reef hooks and DSMBs.***
